

Step Nosing

SN

configure

- Slip and corrosion resistant
- Applicable to almost any surface
- Highly visible
- Can be walked on immediately after installation
- Internal or external grit surface available
- Just one item in the Configure range of over 200 auxiliary aids and adaptive products

Made of either pre-formed fibreglass or aluminium, these step nosings provide a hard wearing non-slip and highly visible edging to steps.

Stock colour is yellow, the preferred choice of the Royal National Institute for the Blind. Nose grips are also available in any BS or RAL colour.
